Botón para agregar Semilleros

Buscador para filtrar datos en la tabla

The screenshot shows the 'SEMILLEROS' section of a web application. On the left is a sidebar menu with options: Inicio, Terceros, Terrenos, Cultivos, Convenios, Insumos, Bodega, Actividades, Producción, Informes, Cambiar finca, and Cerrar sesión. The main area has a green header with 'BA > SEMILLEROS' and a user profile 'Administrador'. Below the header is a table with columns: NOMBRE, TIPO DE SEMILLERO, UNIDAD DE MEDIDA, and DETALLE. The table contains three rows of tomato seedling data. A search bar labeled 'Buscar en la tabla' is in the top right. A blue 'Agregar' button is in the top left of the table area. A vertical ellipsis menu icon is visible at the end of each row in the table.

Opción para editar o eliminar Semilleros

Formulario para Crear Semilleros

The screenshot shows the 'Agregar Semillero' form. It has three main sections: 'Nombre' with a text input field, 'Selecciona tipo de semillero' with a dropdown menu, and 'Detalle' with a larger text area. At the bottom is a dark blue 'Guardar' button. To the right of the form are three numbered steps in red boxes: '1) Asignar el nombre del Semillero', '2) Seleccionar el tipo de Semillero', and '3) Ingresar detalle del Semillero'. Below the form, there are two options: 'Editar' with a pencil icon and 'Eliminar' with a red 'X' icon. A red box explains that the 'Editar' option opens the same form as 'Agregar'. Another red box explains that the 'Eliminar' option opens a confirmation message. At the bottom right, there is a green box with a vertical ellipsis menu icon.
